

[Why can I not manifest](#)

So why don't your intention work here in this video i created I go over why it is that you maybe having a hard time having your intentions coming into manifestation not only that here is a quick checklist as well.

1 Is this for my highest good?

2 is this What I want? Be Clear

3 Do I feel like I really deserve what I am asking for?

4 If not why?

5 How could I rephrase this so I do feel Worthy of this?

6 What action step can I take to get the ball rolling on this manifestation in the physical?
